

The Military Order of the World Wars

CERTIFICATE OF APPRECIATION

Presented to

Anne Arundel County Sheriff's Office

To Sheriff Ronald S. Bateman and the entire Anne Arundel County Sheriff Office Staff for contributing to and supporting a precept of the Military Order of the World Wars' Preamble to its Constitution: Ever to maintain Law and Order! Companions of the General George G. Meade Chapter and the Order are grateful to you and your staff for the dedicated service to the citizens of Anne Arundel County, the State of Maryland and the United States of America, especially during this period of heightened security and Law and Order challenges. Respect for authority and the rule of law, and developing responsible and technically competent leaders are critically important in controlling myriad criminal elements, and, simultaneously, using all resources effectively to maintain an open, "Free Society." We appreciate your commitment to overcoming many significant challenges and for contributing to public safety. We wish you and your Sheriff Office Staff continued success in assuring the well-being of citizens of Anne Arundel County and the State of Maryland. Thanks for your service!
