Dear Sheriff Bateman:

On behalf of the students, parents, administrators, and faculty of Anne Arundel Academies, Inc., I extend our combined appreciation for your participation in our graduation ceremony on Monday, May 11, 2009. It was a wonderful evening that would not have been complete without your words of inspiration. In these challenging times it is important to take every opportunity to make our future leaders aware that they have our support. I'm sure that you join us in wishing them the best.

Let me also take this opportunity to say thank you for your kind words of support for the staff and administrators who work in support of these students and programs.

Again, thank you, Sheriff Bateman. All of us look forward to working more closely with you in the upcoming school year. We certainly hope that you will be a guest speaker in our schools that operate the Academy of Legal Studies.

Sincerely,

Lise Foran  
Director, Anne Arundel Academies, Inc.
