Dear Sheriff Bateman,

We want to take a moment to thank you for your support of the 2nd Annual Gilligan's Island Ferrari Event which took place on Saturday, June 5th. This year's event reached new levels of attendance, participation by Italian car enthusiasts and dollars raised to support *Hospice of the Chesapeake*.

We are proud to have created an event that is unique to this community as well as provided our sponsors and contributors with an excellent opportunity to showcase their businesses and make a valuable contribution to a true community service. Your contribution made a tremendous impact on the patients and families of Hospice of the Chesapeake. We can't thank you loud enough!

The Gilligan's Island and Ferrari themes made for a fun and enjoyable experience and your participation allowed us to raise close to \$30,000 for support services for those living with and affected by advanced illness in our community. More support for those families impacted by sudden and traumatic loss. More support for families facing life's next transition.

Please mark your calendars for the 3rd Annual Gilligan's Island Event – Saturday, June 4, 2011.

Warm Regards,
