

MARYLAND U. S. SECRET SERVICE

John R. Leopold, County Executive
Office of the County Executive
The Arundel Center
44 Calvert St.
Annapolis, Maryland 21404

May 12, 2010

Dear Sir,

The Maryland U. S. Secret Service group was honored today with a visit by Sheriff Ronald S. Bateman.

Sheriff Bateman spoke about his department with great pride. His enthusiasm for his position and his staff was extremely refreshing. He related various activities that he has directed over the past four years and the results of the hard work by his organization.

Ron gave us an interesting historical review of the Sheriff's office over the past several centuries. Thus bringing us up to current times and the various challenges presented to modern day law enforcement that his organization faces. As fellow law enforcement members (retired), we all have a great appreciation and respect for his accomplishments.

As an Anne Arundel County resident, I want to thank both you and Sheriff Bateman for your service and continued support.

Our organization is primarily made up of retired and still active members of the U.S. Secret Service. Most members are residents of the county but there are several from within the state as well as members from Virginia and Delaware.

Please extend my thanks to Ron and his staff for protecting us.

Sincerely,

A handwritten signature in black ink that reads "James E. Le Gette".

James E. Le Gette
