Dear Sir:

On behalf of the Woman's Club of Annapolis at Heritage Harbour, I want to thank you for the Proclamation you presented to the Club during our Annual Tea on May 18, 2010. We were very pleased to be recognized by you for our many outreach projects that have benefited organizations in the Annapolis and Anne Arundel County communities for the past eighty-five years. We are especially proud that we have contributed to your office through our Comfort Doll program. In addition, we have expanded our efforts by helping military families overseas through our Coupon program.

We realize that you have a very busy schedule and therefore we are most appreciative of your making this event a priority on your schedule. Your presence at the tea and celebration of our 85th birthday greatly added to the significance of the day.

Most sincerely,

Barbara J. Miles,
Past President
